Shipping partners

Our standard shipping partner for packages is GLS, and our partner for palletised products is DHL. These partners pick up products for our customers from Monday through Friday and transport them around the world.

We also ship with FedEx, TNT, UPS, and DPD after prior arrangements have been made and a special cost has been agreed.

Would you prefer to pick your product up yourself? Contract a shipping company and have your products picked up from our company.

Information for customer pick-ups

Pick-up times, Monday through Friday:

- 7:00–8:45 a.m.
- 9:00 a.m.–12:00 p.m.
- 12:30–3:30 p.m.

- Please notify us that you will be picking up your item three days in advance.
- Those picking up products must wear safety shoes and a safety vest on our premises. Instructions from our staff must be followed, so those picking up products must have sufficient knowledge of German or English.
- Appropriate means must be used to secure parked vehicles against rolling away.
- The unloading process is to be coordinated with our staff prior to starting the unloading process.

We place high value on using optimised and standardised packaging/labelling for our products as well as qualified shipping service providers to ensure that our customers receive affordable, reliable and environmentally friendly shipping services.

Please get in touch with your sales contact at SKYLOTEC if you have any questions. They will be happy to provide you with advice and assistance!
